POSTGRADUATE DEGREES

Career changers. Students wanting to continue their educational journey. Those wanting to learn something new.

A postgraduate degree can help anyone develop their career by expanding their options.

- Build your subject knowledge
- Develop your confidence
- Gain real-life experience with an Advanced Practice internship
- Enhance your career prospects

Each programme is taught on-campus by academic staff who are experts in their field, and with a choice of study mode to accommodate your needs. Choose from full-time study in the daytime or evenings and weekends, or part-time study.

An option to suit you

There are a number of routes to complete a postgraduate degree with QA Higher Education:

- Advanced Practice: enhance your postgraduate degree by including an Internship or Consultancy Project
- Extended degrees: include a pre-masters programme to prepare you for postgraduate study

Selected courses are also available with varying study times:

- Part-time study: spread your learning over a longer period to accommodate to your career or personal commitments
- Evening and weekend study: study your course at a time that suits you with our evening and weekend full-time study option

Partners
